

Bulldog Days 2020

Hotel Information

We are excited to welcome you to campus for Bulldog Days (April 20-22)! If you are an admitted student coming to Bulldog Days, we would love to host you on campus with a current student - simply request a host on your Bulldog Days registration form. Parents or guardians accompanying students to Bulldog Days should make arrangements at a nearby hotel.

There are several hotels in Downtown New Haven, a short walking distance from campus. These are ideal for guests who do not plan have a car with them during their visit. New Haven is a superb walking city, with renowned restaurants and unique boutique shops, so we recommend staying in-town for the full Yale & New Haven experience.
